EWAM is for
• Policymakers, Government Officials, Regulators
• SME Recyclers, Refurbishers, Collectors engaged in e-waste management

EWAM 2018 will be held in
Bangkok, Thailand
with a regional focus on Asia

EWAM aims to
• Establish a platform for exchange of best practices
• Discuss and share policy and business initiatives in different countries
• Foster multi-stakeholder dialogue, cooperation and better informed decision making
• Get feedback and advice from international e-waste experts and fellow policymakers, identifying together opportunities for action in the participant’s countries
